Key Agreement

Your key is an important part of your membership in the club. As it is the means by which you access the club, it is important that you safeguard the key to prevent misuse. The key is club property at all times.

When you leave the club, it is important that the key be returned. Failure to return the key when you leave may result in legal action against you. At the time you received your key, a deposit was held as an incentive for you to return it. When you return your key, we will return your deposit promptly.

Losing a key, for any reason, is significant. If too many keys are lost, the entire club must be rekeyed, which is very expensive.

By accepting this key, you agree to:

- Not share or loan the key to another member or anyone else
- Maintain your membership in good standing (pay dues on time and in full, work hours commitment, follow bylaws and rules)
- Protect the key against loss
- Notify us promptly if it is lost

Key replacement policy:

1 st key lost - replacement cost	\$100
2 nd key lost - replacement cost	\$300
3 rd key lost - replacement cost	\$1500 - cost to rekey club

I accept these terms and conditions
