To Whom It May Concern,

Please be aware that the Wayne County Raccoon Hunters Association (IPSC 66), hosts USPSA matches every fourth Sunday (with the exception of August, which will be held the fifth Sunday), as well as Steel Challenge matches every first Saturday, at our club located at 37816 Wick Road, Romulus, Michigan 48176. Let this letter serve as our formal invitation to competitors from the IPSC Region of Canada to compete in our matches by bringing their firearms and related equipment to these events. Competitors can make arrangements to enter the United States the previous Saturday, so they can arrive to the match early on Sunday morning. Please remember that the match will start promptly at 10:00 am and registration closes at 9:30 am. Please plan to be at the range on time so we can get started on time.

If you need anything further for your Form 6 paperwork, do not hesitate to contact me directly. We look forward to seeing you out on the range and wish you crisp triggers and clear sights.

Best regards,

Roy Neal
