Competitors can make arrangements to enter the United States the previous Saturday, so they can arrive to the match early on Sunday morning. Except as noted for matches at T-Rex, please remember that matches will start promptly at 10:00 am and registration closes at 9:30 am. Please plan to be at the range on time so we can get started on time. If you need anything further for your Form 6 paperwork, do not hesitate to contact me directly. We look forward to seeing you out on the range and wish you crisp triggers and clear sights.

Best regards,
